

Technical English-I / Winter Semester 2019-20
ENG-1901 / L5 . ASSESSMENT #4.

Sharadindu Adhikari / 19BCE2105

For the assignment #4, we had drafted the summary of a BBC Learning English's lesson. It was graded by our faculty Dr. Raju R.L.N. But unfortunately, due to the nation-wide lockdown of COVID-19 pandemic, we had to leave the campus immediately and was unable to receive the graded sheet of the assessment, hence this informative note in its place.
